

The Museum

S1-39

Narrator: Peppa and her family are going to the museum.

Peppa: Daddy, what is a museum?

Daddy: It's a place full of interesting things that are very old.

Peppa: Older than you?

Daddy: Yes, even older than me.

Peppa: Ooooo! Really old.

Mummy: There is one room full of things that belonged to kings and queens from long ago.

Peppa: I want to see the king and queen's room!

Daddy: And there's another room with a real dinosaur.

George: Wow! Dine-Saw! Grrr.

Ms. Rabbit: Hello, Mummy Pig!

Mummy: Hello, Ms. Rabbit.

Ms. Rabbit: How many tickets, please?

Mummy: Two adults and two children.

George: Dine-Saw! Grrrr.

Ms. Rabbit: And a dinosaur!

Narrator: Peppa wants to see the room full of things that belong to kings and queens from long ago.

George: Wow! Dine-Saw?

Narrator: But George wants to see the real dinosaur.

Mummy: Don't worry, George. We will see the dinosaur next.

Mummy: Peppa, these are all the things that the queen had a long time ago.
This is the queen's special chair. It's called a throne.

Peppa: It's beautiful!

Mummy: This is the queen's dress.

Peppa: It's so pretty!

Mummy: Look, Peppa. This is the queen's golden crown.

Peppa: Wow! What lovely things!

Peppa: Mummy, where is the queen's television?

Mummy: They didn't have television then.

Peppa: No television! But they did have computers?

Mummy: No, they didn't have computers, either.

Peppa: What did they do all day?

Peppa: Mummy, if I was the queen, I would eat as much cake as I wanted.

Narrator: Peppa imagines being a queen.

Peppa: Mmmmm... delicious!

Mummy: Is there anything else you would care for, Queen Peppa?

Peppa: Yes! More cake, please!

Mummy: Of course.

Daddy: Come on, everyone.

Peppa: Coming, Daddy!

Peppa: Daddy! I'm Queen Peppa! You must bow when you speak to me.

Daddy: Oh! I'm most terribly sorry, your royal highness.

Peppa: And what do you do?

Daddy: I'm your daddy.

Peppa: Hmmm, that must be very interesting.

Daddy: Yes! It's very interesting!

Peppa: And what room is this?

Daddy: This is the dinosaur room.

Peppa: The dinosaur room?

George! This is the dinosaur room!

George: Dine-saw!

Peppa: Where is the dinosaur?

Daddy: He's somewhere in the room.

Peppa: I can't see him. He must be very small.

Daddy: Actually, Peppa, he's very big!

Peppa: Wow.

Daddy: These are the bones of a real dinosaur.

George: Dine-Saw! ROOOAAARRR!

Narrator: George imagines being a big dinosaur.

Peppa: It's a dinosaur! Help! Help!

George: RRROOOAAARRR!

Mummy: The dinosaur room is George's favorite room!

Peppa: My favorite room is the king and queen's room.

Mummy: And it looks as if Daddy Pig is already in his favorite room.

Peppa: Which room is that, Mummy?

Mummy: The room with the cakes in.

Narrator: Daddy Pig's favorite room is the museum cafe.

Daddy: Come on, tuck in!

Peppa: Oh, yes! This is a very nice room!
