

Not Very Well

S1-25

Narrator: Mummy Pig and Daddy Pig have just made breakfast for Peppa and George.

Daddy: Breakfast is ready!

Narrator: Peppa has red spots on her face!

Peppa: Mummy, I don't feel very well.

Mummy: Oh, dear, Peppa.
You don't look very well.

Daddy: Don't Worry.

I'll ring Dr. Brown Bear.

Doctor: Dr. Brown Bear speaking.

Mummy: Peppa is not very well.

Her face is covered in red spots!

Doctor: Put Peppa to bed and I'll come straight round.

Narrator: Dr. Brown Bear has come to make Peppa better.

Doctor: Hello, Peppa, how are you today?

Peppa: I am not very well.

Doctor: Stick your tongue out, please.
Hmmm... It's not anything serious.
Peppa has just got a rash.

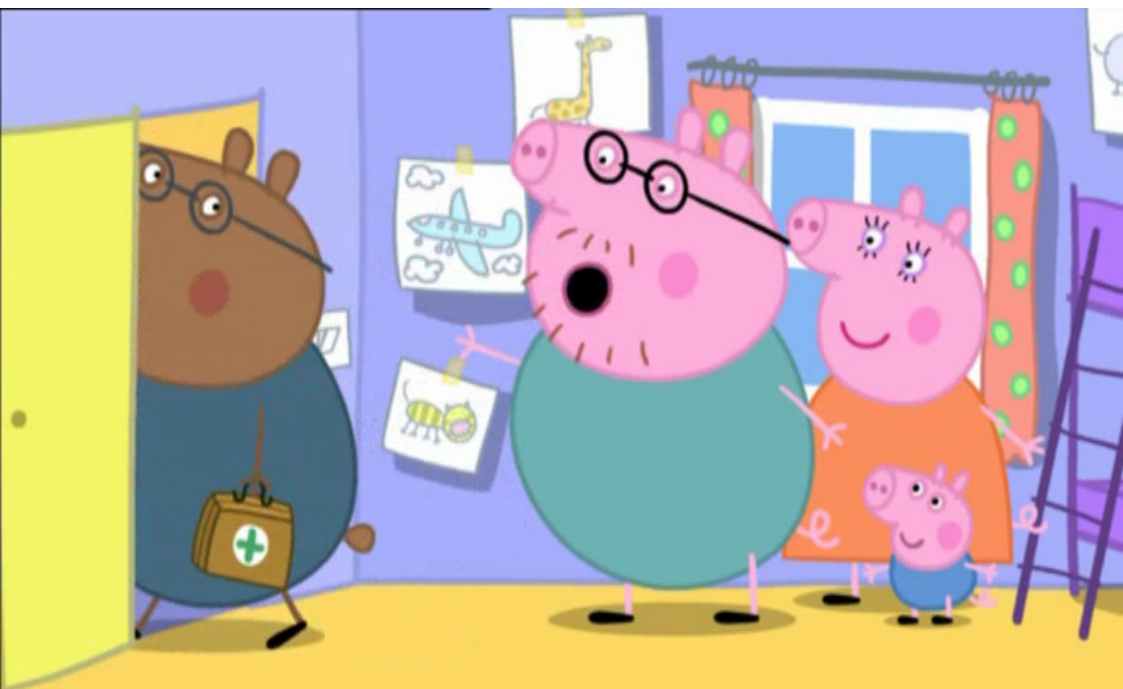

Peppa: Do I need medicine?!

Doctor: The rash will clear up quickly. But if you like, I can give you just a little medicine.

Peppa: Yes, please.

Doctor: I'm afraid it doesn't taste very nice.
Open wide, please.

Peppa: Eeuuurgh! Disgusting!

Doctor: You are a brave little one for taking it so well. Peppa must stay in bed. I'll call back later to check that she is better.

Mummy: Can Peppa have visitors?

Doctor: Oh, yes, she can have visitors.

The rash isn't catching. Goodbye!

Mummy: Goodbye! Dr. Brown Bear!

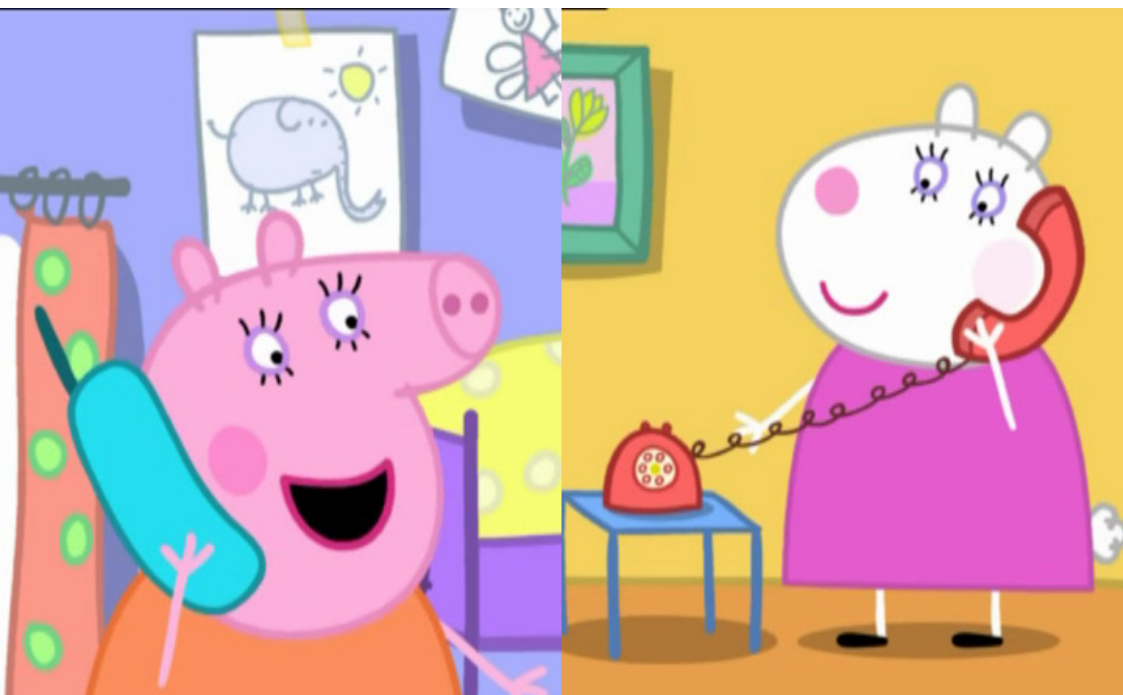

Peppa: Mummy, can I get up now?

Mummy: Dr. Brown Bear says that you must stay in bed for a little bit, Peppa.

Peppa: But it's so boring!

Mummy: Dr. Brown Bear did say you could have visitors.

Peppa: Can Suzy Sheep visit me?

Narrator: Suzy Sheep is Peppa's best friend.

Mummy: I'll ring Suzy Sheep's mummy.

Suzy's mummy: Hello, Mrs. Pig.

Mummy: May Peppa talk with Suzy, please?

Peppa: Hello, Suzy.

Suzy: Hello, Peppa.

Peppa: I'm not very well. I have red spots on my face.

Suzy: Has the doctor been?

Peppa: Yes, Dr. Brown Bear was here!
He said I was not very well
and that I was very brave.

Suzy: So are you really ill?

Peppa: Yes, yes! It's not pretend!

I have to stay in bed!

Dr. Brown Bear gave me medicine
that tasted really horrible!

Suzy: I'm coming to see you!

I'm going to wear my nurse's outfit!!!

Narrator: Suzy Sheep has come to see Peppa.
Suzy is wearing her nurse's costume.
Danny Dog and Rebecca Rabbit
have come along, too.

Suzy, Danny, Rebecca: Hello, Peppa!

Peppa: Hello!

Suzy: How do you feel?

Peppa: I am not very well, Suzy.

I have to stay in bed.

Suzy: What can we do to make you better?

Peppa: You could get me some orange juice.

Suzy: Ok!

Narrator: Peppa seems to be quite enjoying herself.

Peppa: Thank you, Suzy.

Suzy: Do you feel any better?

Peppa: A little bit. Danny.

Danny: Woof!

Peppa: Ask my mummy if I could have some ice cream. And Rebecca, could you bring me some flowers from the garden?

Narrator: Dr. Brown Bear is here, to see if Peppa is better.

Doctor: Ah, good, the nurse is already here!
How is the patient?

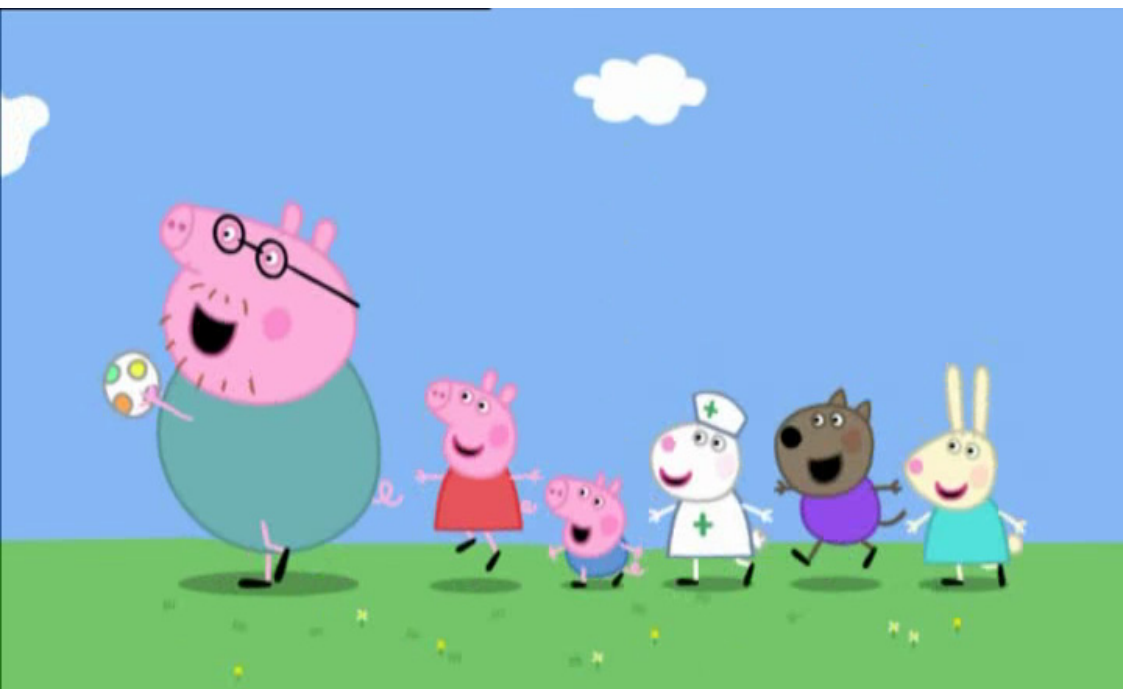

Suzy: Err... I'm not a real nurse, it's just pretend.

Doctor: I see. Would you like me to take a look myself?

Suzy: Yes, please.

Doctor: I say! No more red spots!
You're completely better!

Peppa: Aren't I still a bit ill?

Doctor: How do you feel?

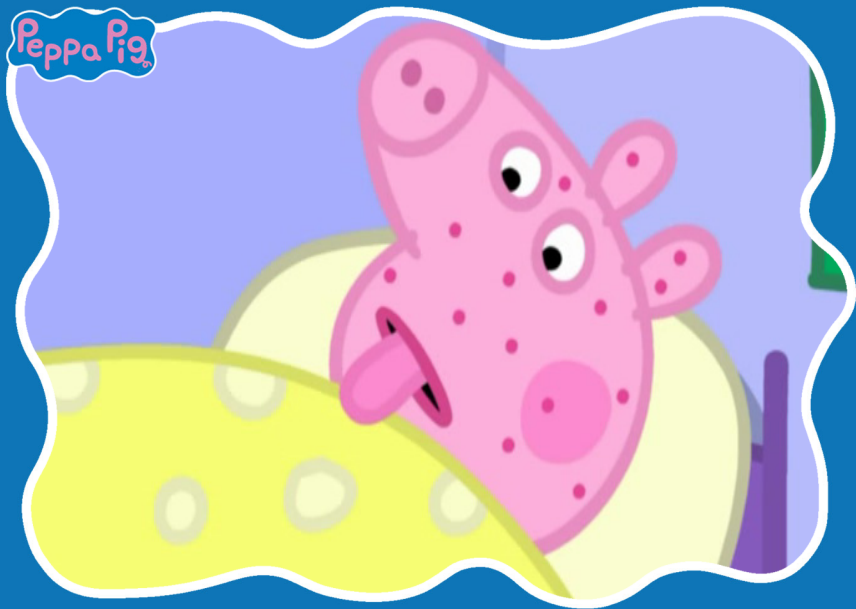

Peppa: I think I should stay in bed a little bit more.

Daddy: Hmm... I fancy a game with this ball in the garden. Who wants to join me?

Suzy, Danny, Rebecca: Me! Me! Me!

Peppa: Me, too!

Doctor: Well, I never! A complete recovery!
