

The New Car

S1-23

Narrator: Today, Peppa and her family are going for a drive in their red car.

Daddy: Shall we have the roof down?

Peppa: Yes, please!

Narrator: Peppa and George love their car.

Daddy: Everybody ready?

Peppa, Mummy: Ready!

Daddy: Then let's go!

Peppa: I love our car!

Daddy: And our car loves us, too! Don't you?

Narrator: Oh, dear, the car does not sound very well.

Daddy: Hmm!

Peppa: What's wrong, Daddy?

Daddy: Hmmm! Err...I don't know.

Mummy: Let's take it to Granddad Dog's Garage. He can fix it.

Daddy: That's a good idea, Mummy Pig.

Grandad Dog: Woof!

Narrator: Granddad Dog runs the garage, he is very good at mending cars.

Grandad Dog: Woof! Oh, dear, Daddy Pig! Your car does not sound very well.

Daddy: Can you fix it, please, Granddad Dog?

Grandad Dog: Yes..... but it will take all day.

Peppa: Ohhh. We wanted to go for a drive in our car.

Grandad Dog: Woof! Don't worry. You can borrow this new car while I fix yours.

Daddy, Mummy, Peppa: Hurray!

Daddy: Thank you, Granddad Dog.

Grandad Dog: Would you like the roof down?

Peppa: Yes, please!

Grandad Dog: I'll just press this red button.

Narrator: What a clever car!

Daddy, Mummy, Peppa: Wow.

Grandad Dog: Woof! When you come back,
I will have fixed your car.

Daddy: Thank you, Granddad Dog.
Goodbye.

Peppa: Goodbye!

Mummy: Bye bye!

Grandad Dog: Goodbye! Woof!

Narrator: Peppa and her family like the new blue car.

Daddy: There are so many buttons in this new car.

Peppa: What does the green button do, Daddy?

Daddy: Let's see.

Peppa: Magic windows! Daddy! Make the magic windows go down. What does the blue button do?

Daddy: I don't know. Let's see. Arrgh!

Peppa: I love this new car. Can we keep it?

Mummy: No, we can't keep it, Peppa. We've only borrowed it for today.

Peppa: Oh.

Mummy: Oh, no, I think it's going to rain.

Daddy: Yes, I'll just put the roof up. Now, which is the button to close the roof? Oops! Silly me. Aha! This must be the button. Arrgh!

Narrator: The new car has squirted Daddy Pig with water.

Peppa: Silly Daddy, that's not the roof!

Daddy: This button! Oops! Not that one! This button! Arrgh! Help!

Narrator: Daddy Pig has forgotten which button closes the roof.

Daddy: I don't think this car likes me!

Mummy: Let's try the red button.

Daddy, Mummy, Peppa: Hurray!

Mummy: But now it's stopped raining.

Peppa: Can we open the roof again?

Daddy: Err, yes. Which button was it?

Peppa, Mummy: The red one! Hurray!

Narrator: Granddad Dog has fixed the car.

Grandad Dog: Your car is fixed.

Daddy, Mummy, Peppa: Hurray!

Daddy: Thank you, Granddad Dog, and keep the change.

Grandad Dog: Thank you, Daddy Pig. Woof! Woof! Goodbye!

Daddy: Goodbye!

Mummy: Goodbye!

Peppa: Bye bye!

Daddy: Ahhh! It's good to get our old car back again!

Peppa: I liked the new car but I like our old car better.

Daddy: And I think our old car likes us, too. Don't you?
